Committed to continuous learning more skills for ongoing professional growth in Web and Software Development.

Multifaceted Skills: | MS Word | MS Excel | MS Access | MS PowerPoint | Data Entry |

Communication Skills | Team Work | Work Under Pressure | Time Management | Problem-Solving.

EXPERIENCE

Sep 2023 – Oct 2023

Web Developer (Internship)

Coding Samurai - Remote

During my web development internship, I worked on three projects: a Portfolio, a To-Do List, and a Calculator, using HTML and CSS. These tasks enhanced my skills and showcased my ability to create functional and visually appealing web applications.

Aug 2023 – Sep 2023

C++ Developer (Internship)

CodSoft - Remote

During my remote internship as a C++ developer, I had the chance to engage in a wide array of tasks. These tasks included working on various software applications and games. Among the projects I worked on were the recreation of classic games like Domino and the development of productivity tools such as a task list application and calculator application.

Jun 2022 – Nov 2022

Data Entry Specialist

Talia Charity - Full Time

During my tenure as a data entry specialist at Talia Charity, I was entrusted with the critical responsibility of managing and inputting vital data into the organization's databases. My role involved meticulously recording and organizing various types of data, such as donor information, financial transaction, and project details.

EDUCATION
